

Underground Light Series

LT-HX-DM-F160-9W/12W

FEATURES AND SPECIFICATIONS

Application

Decorative colour lighting for landscapes and gardens, as well as to lighten up building exterior with smart lighting control. Promised with reliable and durable performance and benefits in energy and cost savings.

IP68

AC12/24/220V

10°/30°/60°/90°/120°(elect)

R/G/B/Y/W/WW/RGB

DMX512/Alternating Current Synchronous/

Four wire external control/Power switch

Product Parameters

Item	LT-HX-DM-F160-9W	LT-HX-DM-F160-12W
LED Qty	12	12
Power Range	9W	12W
Beam Angle	10°/30°/60°/90°/120°(elect)	
Input Voltage	AC12/24/220V	
Color	R/G/B/Y/W/WW/RGB	
Control Method	DMX512/Alternating Current Synchronous/ Four wire external control/Power switch	
IP Rating	IP68	
Warranty	2 Years	
Dimension	Φ160*H80	Φ160*H80
